October 2022 | For the safety of your child, please provide us with updated contact information whenever it changes.

### **WHAT TO DO IF YOU ARE SICK AND/OR HAVE TESTED POSITIVE FOR COVID**

***Isolation is recommended when you test positive on a laboratory based (e.g. PCR) test, on a rapid antigen test, or if you have symptoms without testing:***

- You should **isolate for 5 days** after your symptoms started and until you have no fever and your other symptoms have improved over the past 24 hours.
- If you don't have symptoms and test positive, you should **isolate for 5 days** after your test date.
- You should wear a well-made, well-fitted mask during this 10 day period if/when you have contact with other people.

It is hard to believe that we have been back to school for a month! It is wonderful having our students in the building and seeing the return of activities that had been put on hold. On October 5th, we were able to celebrate our grade 7-12 students' academic achievements during our Undergrad/Honour Roll Celebration. If you were unable to attend, a video link can be found on our Killarney School Twitch account. ([twitch.com](https://www.twitch.tv/search?term=killarneyraiders) - Killarney Raiders <https://www.twitch.tv/search?term=killarneyraiders>). As we begin October, we are reminded to be thankful for all that we have and all that we are able to do. Here at Killarney School, we are thankful for your continued support and for trusting us with your children.

Since returning to school, we have received a few calls about what to do if you are sick or have tested positive for COVID. I have included the recommendations from the province (<https://manitoba.ca/covid19/info-for-mbs.html#isolation>). Please refer to the screening checklist ([https://www.gov.mb.ca/asset\\_library/en/coronavirus/covid19\\_screening\\_checklist.pdf](https://www.gov.mb.ca/asset_library/en/coronavirus/covid19_screening_checklist.pdf)) if you are wondering if you should send your child to school. We appreciate your assistance with keeping our school community healthy.

Have a wonderful month!!

Erica Hilhorst
