Hello from the librarian!

Thank you to everyone who supported the Book Fair this spring! We made over \$5,000 so that means over \$2,500 dollars will be going towards purchasing books for the library! This means so much - the students are loving the new books that I have been able to add to the library, all because of your support! I will be working hard to get those new books out on the shelves so our students are able to check them out!

Now that we are into April I am working on bulletin boards with a 'Spring into Reading' theme! I'll be bringing out all the books about plants, flowers and the joy of reading!

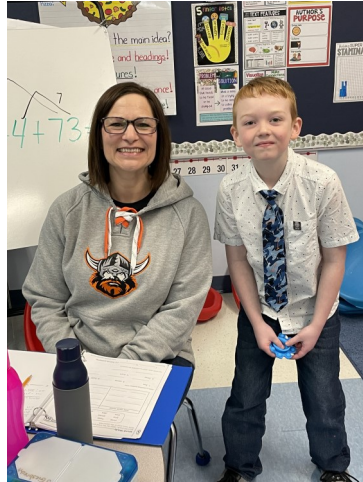

I hope you all had a great Spring Break and I am excited to see all the spring flowers and green grass soon!

Your Friendly School Librarian,
Mrs. McGill

PRINCIPAL FOR A DAY

Mr. Jackson G. got to be our Principal for a Day on March 7th. Jackson earned this opportunity by being our top Terry Fox fundraiser this year! Jackson took over Mrs. Hilhorst's office while she took his spot in the classroom! Mr. G spent the day visiting classrooms, allowed a longer recess, took a break in the staff room and played music over the PA at the end of the day.

Mrs. Jonsson and Mr. Outhwaite took their Sustainable Wilderness class on the road to Max Lake for an overnight adventure! The students did some cross-country skiing, tobogganing, ice fishing, cooked over the fire and built quinzees. A few brave souls slept in the quinzees overnight!
