### KPAC NEWS

The school year is off to an amazing start and we had such fun at the Open House! Thanks for stopping by our KPAC table to say hello and grab a cookie!

We will be kicking off an "In Good Taste" fundraiser later in October. It will be a great chance to stock up on dainties and other delectable treats, just in time for holiday parties and gatherings! Stay tuned for more info to come!

### FROM THE LIBRARY

Mrs. McGill is always busy adding new books to the collection!

Our theme in the library this month is "In Our Community, Our Strength is Our Diversity." We have had a variety of books on display in the library about people from all over the world and about people that may have different interests. The last week of September we had books on display about Truth and Reconciliation Day and Orange Shirt Day. October will be all about fall and the changing of colours in the library.

The book fair will be coming to the library on November 8<sup>th</sup> and 9<sup>th</sup> during Student Led Conferences. Watch for more information to be emailed home. All the profit of the book fair goes back into the library and our school! Mrs. McGill has bought many new books and furniture for the library, the teachers were able to buy books for their classroom, and bean bag chairs were bought for our early years resource room - all from book fair proceeds! We appreciate all of your support!
